

BASIC SPECS pcmaconvene.org	Side Medium Rectangle Run-of-Site/ROS
Available Positions	10 rotating on refresh (ROS) –appears in 3 locations depending on what page you load
Creative Format Specs	
Initial Dimensions (WxH in pixels)	300 x 250 PC and Mobile 320 x 50
Max Initial File Load Size	40 KB
File Formats accepted	JPEG, PNG, GIF; HTML 5 (Please note for HTML5 files: We cannot accept banners with <head> or <body> tags within them. The entire ad must be in straight HTML/JavaScript/CSS without the use of those HTML tags.)
Submission Deadline	Min 10 business days before campaign start. Creative ad files not received by deadline will delay publish/campaign start date by the same number of business days in which the creative files we're late. Extensions beyond the campaign end date will not be provided. This does not apply to the Perishable Inventory Program.
Labeling Requirements, Font Size, etc.	Ad unit content must be clearly distinguishable from normal webpage content (i.e. ad unit must have clearly defined borders and not be confused with normal page content)
Implementation Notes	
Example	http://www.iab.net/extra/adquickref/zindex_demo.html

see an empty plate with a more sustainable F&B program?

How to Plan a Hackathon

Once synonymous with high-tech, hackathons have gone mainstream, multiplying and morphing into new models — bringing a new wave of innovation and interactive learning to conferences and meetings.
